Parish Cash Counters urgently needed

Each weekend, we need to count the donations that are made via the 1st and 2nd collections. Before Covid lockdown, we had several parishioners who kindly helped with this, which shared the small time burden needed. Sadly, post Covid, we only have two counters. This means that the burden on their time is greater than necessary. We urgently need five or six additional counters, who can help out once or twice a month, to count the collections. Can you help the parish with this? Please give your name to Fr Denis or Brendan Campbell if you can help.

Parish Donations

Thank you for all of your continued generosity with your weekly donations to the church. Please consider making your regular gift by standing order; it makes it much easier. Please ask Father or Brendan Campbell for a standing order form. We recovered over £5,000 in tax refunds from HMRC last year, so if you pay tax, it's really worthwhile completing a gift aid form, so we can claim more taxes back. It costs you nothing! Speak to Brendan for more information.

OUR DIOCESAN PRAYER - WALK WITH ME Lord God, our light and our salvation, we praise you for your gifts of life and faith. We thank you for the desire that you have planted in our hearts, our yearning to see your face. Help us to meet you in prayer, to walk in your ways, and to speak to others of our joy and consolation in your presence. Give us faithfulness in this present life so that we may come to know and praise your beauty with all our brothers and sisters in the life to come. We make this prayer through Christ our Lord. Amen.

PRAYER TO THE HOLY SPIRIT O Holy Spirit, beloved of my soul, I adore you, enlighten me, guide me, strengthen me, console me – tell me what I should do. I promise to submit myself to all that you permit to happen to me – let me only know your holy will.

ANIMA CHRISTI Soul of Christ, sanctify me. Body of Christ, save me. Blood of Christ, inebriate me. Water from the side of Christ, wash me; passion of Christ, strengthen me. O Good Jesus hear me. Within thy wounds hide me. Suffer me not to be separated from thee. From the malignant enemy defend me. In the hour of death, call me and bid me to come to thee, that with thy saints, I may praise thee forever and ever. Amen

DIOCESAN PRAYER FOR VOCATIONS Lord Jesus, send labourers into your harvest. Inspire in the hearts of your people, vocations to the priesthood, diaconate and religious life. Bless our homes, our families, our parishes, our diocese, our countries with a spirit of generosity. May those whom you call to the priesthood, diaconate and religious life have the courage to give themselves to your Church as co-operators in your work.

St John Vianney – *Pray for Us*

ARCHDIOCESE VISION PRAYER Spirit of God, descend on me this day. Grant me the Spirit of joy, to lift me, the Spirit of hope to inspire me, the Spirit of love to surround me and the Spirit of truth to enlighten my path. Holy Spirit, I pray for a new outpouring of your grace, so that I may grow in worship of your name in love of you in my prayer and in my actions towards others. Come Holy Spirit into my life to guide me, strengthen and defend me, so that I may be drawn ever closer to you. Help me this day and always to be a channel of grace in all I say and do and invite others into relationship with you. Amen

PRAYER TO SAINT JOHN HENRY NEWMAN Almighty and eternal God, we offer heartfelt thanks and praise for the life and witness of Saint John Henry Newman. In him You have given us and inspiring example of a priest and teacher heroically devoted to the pursuit of holiness and the salvation of souls. Through his intercession and his teaching we ask You to pour out Your blessings on all Your children who seek Your truth, so that all may come to know and love You in the one fold of the Redeemer, our Lord Jesus Christ Your Son, Who lives and reigns with You in the unity of the Holy Spirit, God, forever and ever. Amen

PRAYER FOR CLIMATE CHANGE

Loving God, we praise your name with all you have created. You are present in the whole universe, and in the smallest of creatures. We acknowledge the responsibilities you have placed upon us as stewards of your creation. May the Holy Spirit inspire all political leaders as they seek to embrace the changes needed to foster a more sustainable society. Instill in them the courage and gentleness to implement fairer solutions for the poorest and most vulnerable and commit their nations to the care of Our Common Home. We ask this through Our Lord Jesus Christ your Son. Amen

PRAYER FOR PEACE

Mary, Mother of God, Queen of the Universe. We ask you to intercede for the people of war-torn countries, for their governments, and all who suffer as a result of war. Be with them as you stood beside your Son, suffering on the Cross at Calvary. Give them strength and courage through faith, hope and justice. May we support them through prayer and generosity. That human lives may be saved. That the injured may be healed. That the dead may rest in peace. That there will be peace after war. Amen.

Pope's Prayer Intention for May
For the formation of religious and seminarians

We pray that religious women and men, and seminarians, grow I their own vocations through their human, pastoral, spiritual and community formation, leading them to be credible witnesses to the Gospel.

Points to Ponder

All of us are called to grow together, in humanity and as humanity. We are challenged to make a qualitative leap in order to become a complex, multiethnic, pluralistic, multireligious and multicultural society. We are called to reflect carefully on the theoretical development and the practical use of these new instruments of communication and knowledge. Their great possibilities for good are accompanied by the risk of turning everything into abstract calculations that reduce individuals to data, thinking to a mechanical process, experience to isolated cases, goodness to profit, and, above all, a denial of the uniqueness of each individual and his or her story. The concreteness of reality dissolves in a flurry of statistical data. The digital revolution can bring us greater freedom, but not if it imprisons us in models that nowadays are called 'echo chambers'. In such cases, rather than increasing a pluralism of information, we risk finding ourselves adrift in a mire of confusion, prey to the interests of the market or of the powers that be. It is unacceptable that the use of artificial intelligence should lead to groupthink, to a gathering of unverified data, to a collective editorial dereliction of duty. The representation of reality in 'big data', however useful for the operation of machines, ultimately entails a substantial loss of the truth of things, hindering interpersonal communication and threatening our very humanity. Information cannot be separated from living relationships.
